

EDUSERVE

CLOUD VIRTUALISATION

SCALABLE.

EDUSERVE IS NEW ERA IT'S HOSTING SERVICE FOR SCHOOLS.

EDUSERVE provides scalable, offsite server hosting on our premium hardware at an affordable price point for the New Zealand education sector.

With **EDUSERVE** you get;

- All servers hosted offsite and managed by New Era IT Limited
- Managed firewall included for free (does not include web content filtering)
- Latest and greatest versions of all the server software
- SMS hosting included for free
- Email hosting included for free
- Daily backups included for free

Prerequisites:

- Requires UFB internet contract– at least 30mbit for primary schools and 100mbit for secondary schools – we can supply this as well if required for additional cost (Edunet meets this criteria)
- Subject to feasibility study for each site
- Initial minimum 24 month contract term
- Server licensing
- New Era IT Network Management Agreement

EDUSERVE PRICING (per month)		
Primary - \$500+GST	Intermediate - \$650+GST	Secondary - \$950+GST
SETUP COSTS		
Initial cost for desktop migration - POA		
Initial server migration into New Era IT cloud - FREE - Savings of at least \$12,000 (Infrastructure as a Service)
