# NEW ERA IT PRIVATE CLOUD SOLUTIONS FOR THE NEW ZEALAND EDUCATION MARKET

## EDUGUARD

CLOUD ANTIVIRUS

### CLOUD ANTIVIRUS : Centrally managed Antivirus.

Threat and infected device protection with reporting and action recommendations. Standardised configuration, management alerting and reporting of the MOE approved Symantec Antivirus Solution.

## EDUVAULT

CLOUD BACKUPS

### CLOUD BACKUPS : Online backup to offsite ICT infrastructure.

School critical data is safely backed up offsite without relying on human intervention. Daily confirmation reports for peace of mind.

## EDULINK

CLOUD AUTOMATION

### CLOUD AUTOMATION : Centrally managed reporting and real-time diagnostics.

Diagnose and monitor your network and devices for proactive protection and maintenance programmes.

## UNIFIED

CLOUD WIRELESS

### CLOUD WIRELESS : Centrally managed wireless deployment.

As a single campus solution or across multiple school clusters, manage and deploy Wireless Access Points with ease. Centrally managed security for all wireless network access. Ideal for 1:1 student device and BYOD (Bring your own Device) programs.

## EDUSERVE

CLOUD VIRTUALISATION

### CLOUD VIRTUALISATION : Central IaaS (Infrastructure as a Service) hosting.

Predictable and controlled costs. Pay as you go deployment and growth at your own pace.

## EDUNET+

CLOUD ACCESS

### CLOUD ACCESS : High speed internet connection over fibre nationally.

## EDUCOMM

UNIFIED COMMUNICATIONS

### UNIFIED COMMUNICATIONS : Hosted telephony infrastructure with Microsoft Lync.

PABX, VOIP, Presence awareness, Chat, Phone, Collaborate and video conference.

## EDUSURF

WEB CONTROL

### CLOUD WEB CONTROL : Advanced centrally managed content filtering service.

Protection for NZ education and configurable to individual site level with customised realtime changes for your school and classes.

## EDUAPPS

CLOUD APPLICATIONS

### CLOUD APPLICATIONS : the apps you use everyday are ready in the cloud.

SaaS (Software as a Service) for specific school applications, accessible 24/7 from any web-based device. Including strategic planning and deployment consultation.

## EDUSSO

SINGLE SIGN ON

### SINGLE SIGN ON : Single username and secure password access using MoE standards.

Identity management for Single Sign On to access NZ's most popular education web apps.
