NEW ERA IT BRINGS YOU SAMSUNG

If you're looking for great value then you've found it - the **Samsung NC110 netbook**. Despite being budget-friendly, it incorporates many advanced features designed to help students squeeze more into their day. With its ultra sharp and bright screen, which is also anti-reflective, students can enjoy clear images even in direct sunlight. The NC110 weighs just 1.18kg and has an extensive battery life of 10 hours. Plus, with all components Samsung built and a 3 year warranty, it gets the New Era IT tick of approval.
